5. Comments by Mr. Muneharu Hayashi, President and Representative Director of Softcreate Corp.

Softcreate Corp. provides a wide range of services from system construction to cloud, security, and system operation in order to provide total support for IT infrastructure that solves customers' business issues. In system operation, in particular, we have been partnering with Y2S Corporation.

We are pleased to see Y2S Corporation joining the MIRAIT ONE Group. Softcreate Corp. will maintain its existing cooperative relationship with Y2S Corporation while aiming to maximize synergies among the three companies, including MIRAIT ONE Corporation. Further, Softcreate Corp. will actively support the growth of the MIRAIT ONE Group, which has welcomed Y2S Corporation as its new member.

＜About MIRAIT ONE Corporation＞

Founded in 1946, MIRAIT ONE is a company engaged in building and maintaining various types of social infrastructure with a history spanning approximately 80 years. Based on the wealth of experience and technical expertise we have accumulated in the construction of telecommunications infrastructure, in recent years we have been creating and maintaining society's infrastructure in the energy and transportation fields. By leveraging our technologies in communications, electricity, architecture, civil engineering and other fields, we are working on urban and regional development that connects to the future, including implementing DX in communities and businesses and promoting the use of green energy. Based on our purpose of "co-creating an exciting future through challenges and technology," we aim to create new value that enriches people's lives and realize a sustainable society.
